Notes

1. In addition to the accommodation fee and security deposit, you are required to pay the following:
 - (1) Dormitory No. 1: room electricity, hot water, and gas fees.
 - (2) Dormitory No. 7: room electricity, electricity and water of heat pump, and heat pump maintenance.
 - (3) Dormitory No. 2: room electricity, electricity and water of heat pump, and heat pump maintenance.
2. The electricity fee paid by each room will be determined by the electricity bill of the University for the same time period. Boarders of the same room will divide the fee payment among themselves.
3. Boarding students at Dormitory No. 7 pay the heat pump fee calculated by multiplying the water meter reading by the floating rate of the water company. The heat pump maintenance fee is TW\$ 100 per person per 2 months.
4. This fee table has been practical since the 2022 academic year. Accommodation fees are calculated according to the weeks when it is opened for check-in and check-out using the unconditional rounding method of individual digits.
